PABALLELO GETS A NEW VEHICLE

On Monday, 26 September 2016, Paballelo Service Centre, which is situated in Upington, received a brand new Peugeot Partner.

Virginia Rathefola, the manageress of Paballelo in Upington, received the keys of the new vehicle with joy. Before, she used to deliver meals in a grocery trolley in Upington and as well as the informal settlements. She is a woman with a huge heart and shows true commitment in doing what she does for the community. She was over joyed in receiving the new van and couldn't have been more grateful.

Her new van was loaded with groceries for her centre. Big thanks to MOWCS SA for organising the vehicle and the groceries.

Virginia Rathefola,
The manageress of Paballelo in Upington

MOWCS NC broadcast via XK-FM

On 17 July 2016, the Area Director of Meals on Wheels Community Services, Bevan Jenneke, met with Penny Motaung, the Provincial General Manager of the SABC in Kimberley.

That meeting led to the MOWCS NC Directors being interviewed by one of the local radio stations in Platfontein. XK-FM Programmes director, Mr. Piorro Mushavanga, was very excited to host the program that shared the general information about the history, operations and vision of Meals on Wheels Community Services.
