Meals On Wheels COOK-OFF

On the 20th September 2016, Meals on Wheels Community Services Northern Cape hosted a cook-off at the Diakim Service Centre. A few people from four different companies participated, they are; Griquas Rugby, Pam Golding, Sol Plaatje and Price Water House Coopers. The aim of the cook-off was to cook enough food to feed over 1000 starving people. When the food was ready to be served, the teams went out to the different destinations in the community to help hand out the food. Most of them were very touched by the experience of seeing the reality of starving kids and adults. The cook-off turned out to be very successful and left many people with a huge eye-opener.

What a participant had to say about the event: “Just wanted to say thank you very much for a very meaningful event. It was awesome and so enlightening. Thanks for thinking of us and we’ll definitely participate again.”
Celeste Henderson, Financial Manager from Solplaatje
